Zach Report: Our very own Zach Robinson will deliver a presentation on ***Acquiescence in San Francisco, A Practical Guide for Surveyors.***

Zach will offer ways to handle acquiescence in surveying: What triggers acquiescence? What evidence to consider? Engage with the survey community for a Q and A about this important topic as it applies to surveying in San Francisco. Need a refresher? The 1916 Weil paper and referenced cases are here:

Director's Report. Rob Hanley reporting for Zach Robinson. The BOD meeting was 10/26. Most important is the Monument Preservation Committee paper. See attached. The Exec. Committee asked all chapters to review the document from the monument preservation committee and return with comments for the next BOD meeting in January 2025. Please review: [Mon Pres](#)

This will be the topic for the January 2025 SF-CLSA meeting.
