

**CALIFORNIA LAND SURVEYORS' ASSOCIATION  
SAN FRANCISCO CHAPTER  
January 2025**

**...And we're back!**

**Lots going on, so let's get to it...**

**Your CLSA membership renewal. Make sure that your CLSA state membership is updated. [Membership](#) While you are at it. Please renew your membership with your local chapter, SF-CLSA, *the small, but mighty!***

SF-CLSA Membership starts at \$20 per person, or \$40 for a business.

Our preferred method of membership is Zelle. We also have our website and Venmo...or even an old-fashioned check or cash! E mail me and I can come by your shop, we'll catch up while you renew.

See attached doc from the monument preservation committee. The document is a response to the newly added law regarding monument rehabilitation: B&P Code [California Code, BPC 8771.6](#).

Mon Pres has requested a reply from every chapter before the next Director's Meeting, Sat. 01/25.

We will be holding a discussion of the recommendations to allow the SF-CLSA chapter to provide its feedback on this matter to the state CLSA board. Please review the attached document prior to the 01/21

***What's important to YOU?***

Let's, together, determine the agenda for the next quarter. We have several speakers that are interested in speaking to our combined North Bay Area Chapters.

AND, we need to get together to socialize and catch-up with one another other. National Surveyor's week is March 16-22. Our Tuesday meeting would be 03/18. **Sound good to you?**

And with that, it's a wrap. Please plan to attend the January SF-CLSA ZOOM Room meeting, 01/21. More info to be provided before the meeting.
