Attendance: 4; Kate Anderson, Lou Clem, Rob Stevenson, Eli French

Call to Order: 1:15 PM

Introductions all around were had

Reports of Officers

President – verbal report, Eli French

Eli gave, as a guest presenter, a virtual Zoom presentation on Land Surveying as a career to the students of the “Senior Seminar in Geography and Environmental Science” class at SF State University. He would like feedback from the Chapter members on the possibility of them hosting students for job shadow, internship, or entry level positions on an as-needed basis, and also on what qualifications members look for in a new hire from this and similar majors.

The proposed visit to the Berkeley Particle Accelerator received approval from the higher-ups at that entity. About 13 folks have responded with interest to the email blast regarding this event. As of now, the visit is on hold due to the Coronavirus pandemic and social distancing requirements. Updates will be sent to the interested folks by separate email.

Treasurer – none, absent

Director – verbal report, Eli French

State Board of Directors meeting upcoming on April 25, 2020 (see attached State Agenda)
Noteworthy Action items upcoming include a proposal by Phil Danskin of the Marin Chapter to direct the State Legislative Committee to work on language that would eliminate the County Surveyor review of Records of Survey. Eli will report back on actions taken at this meeting.

Discussion portion of meeting – Discussion was had on Coronavirus Shelter in Place order requirements and other topics

Adjournment: 2:00 PM.
