Meeting Minutes January 19, 2021

Zoom - Virtual, 12-1:30 PM

Call to Order and Introductions: Eli French, 12:08 PM

Attendance: 9; Kate Anderson, Peter Bekey, Eli French, Paul Mabry, Scott Myatt, Jim Rems, Zach Robinson, Rick Seher, Jared Serpico

Approval of December minutes: Not yet available, minutes to be distributed before the next meeting, along with this meeting's minutes

President's Report:

- Survey technicians have been reclassified federally by the Department of Labor and are no longer considered "laborers and mechanics" and subject to the Davis-Bacon Act, a result of a long effort by NSPS to overturn the 2013 decision classifying them as such
- Please remember to pay 2021 dues
- Introduction letter to the City has not yet been written

Treasurer's Report: Scott hasn't heard from Kim at state regarding scholarships. Eli noted he had received some updates and would forward them along.

Director's Report: No state board meeting recently. The next is on February 6. We should be able to cover meetings with alternate directors, if need be.

Monument Preservation: Recent correspondence with Neil King, otherwise nothing to report.

SF Surveying & Mapping Committee: 2nd draft of mapping report in progress.

Discussion was had regarding a BSM requirement that a specific note be added to airspace or vertical subdivision maps, as is their current practice. Paul Mabry was involved in the drafting of said note several years ago and provided some insight on the matter.

Old Business: Introduction letter to the Department of Public Works at large has not been drafted.

Motion carried to have Ex. Com. prepare and send the letter before next meeting without further group review.

Let's think about ways to reach out to young people, and get them interested in the profession.
